NOW IS THE TIME TO #OpenGaza

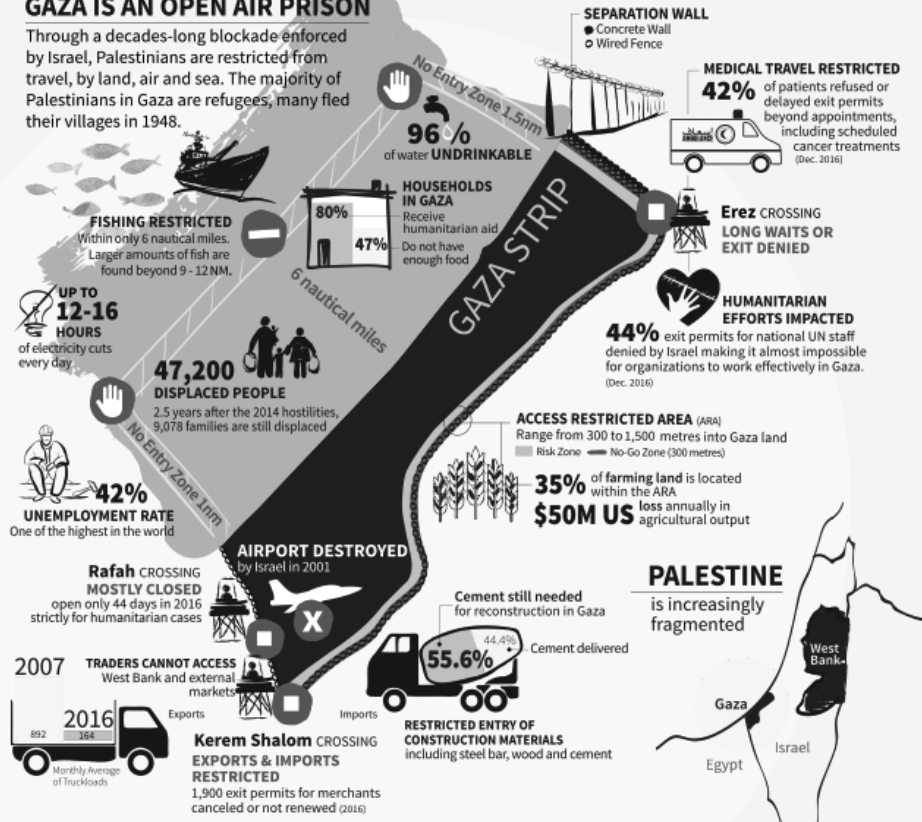

Collective punishment of Palestinians in Gaza must end

50 YEARS OF OCCUPATION. 10 YEARS OF ILLEGAL BLOCKADE.

GAZA IS AN OPEN AIR PRISON

Through a decades-long blockade enforced by Israel, Palestinians are restricted from travel, by land, air and sea. The majority of Palestinians in Gaza are refugees, many fled their villages in 1948.

The header features a blue logo on the left with a white graphic of three stylized figures above the text "We Are Not Numbers". To the right of the logo, the tagline "Palestinian youth tell the human stories behind the numbers in the news" is displayed in white text against a dark background. Below the header is a blue navigation bar with white text for "HOME", "ABOUT", "STORIES", "GALLERY", "CONTRIBUTORS", "MENTORS", and "BACKGROUND" with a dropdown arrow. A red "What's New" button is positioned on the left side of the main content area, next to the headline "U.S. grant received to train youth journalists". The main content area contains two images: on the left, a large crowd of people holding Palestinian flags in an outdoor setting; on the right, two men running through a field, one carrying a tire.
